Rabbi Yehuda Landy, born in the U.S.A. and moved to Israel in 1969 where he resides with his wife and family in Telstone, Jerusalem. He's an expert in Tanach (Bible and Prophets), Talmud as well as Archaeology, History and Geography. In addition to his lectures on these topics worldwide, as a licensed tour guide, he leads Tanach tours around the globe in Museums including: The British Museum in London, Louver in Paris, Metropolitan Museum of Art in NY, and The Israel Museum in Jerusalem. His tours include rooms behind the scenes that are not open for the wide public. Rabbi Landy is frequently in touch with the experts in the field including the famous Dr. Irving Finkel, of

the British Museum and Avner Goren from Jerusalem. By combining his Talmudic knowledge together with his experiences in Archeology and History, you will get a unique picture of our History.
